

Dine n Dash for Dom

*Friday, August 26 · 6:30pm - 9:30pm
Rideau Carleton Raceway*

Every day we deal with bad posts, bad draws, bad drives, arguments with race office, struggling to pay the vet, the feed man, the blacksmith and on and on. But every once and a while there's a moment, an incident, that gives us some perspective and we know that these problems are not so great in the big picture.

Friday morning at our farm, I had one of these moments. A six year old boy named Dominic Richmire came to visit. Dom has... an inoperable brain tumour and his prospects are not good. While it was uplifting to watch the joy on his face as he watched in awe a horse swimming in the pool, it was equally difficult to see the pain on his mothers face as she tends to his every need while knowing the grim reality they face.

On Friday, August 26, 2011 the NCRHHA in conjunction with the Ottawa Senators, The Sens Foundation and Rideau Carleton are hosting "Dine n Dash for Dom".

Several players will be in attendance as well as Spartacat; a celebrity race featuring Tim Murray, players and media will take place. There will be a variety of fun ways available to raise funds to help out Dom and Rogers House.

This is a horseman's sponsored event so we need all our community and friends to come out, help out, and enjoy a great evening.
